CELEBRACIÓN DE LOS 30 AÑOS DE STUDIOA

The big 30, truly a landmark number, a milestone in years, a time to take stock of achievements, find your bearings and take a deep breath before launching yourself towards the big 40, and as 40 is the new 30 you can probably take the time to enjoy the view a bit more.

This is a slightly odd ChannelUNO but it's a body of work that was created to celebrate the 30th anniversary of our Peruvian compadres at 'studioa' in Lima. Each of their close friends was given a number between 1 and 30 and simply asked to think about it and be creative!
